EMAIL EMPIRE SWIPE FILE

50 proven email templates for every situation —
welcome sequences, sales, follow-ups, re-engagement & more

PromptEmpire™ | Empire Bundle Exclusive

How to Use This Swipe File

Every template in this file is proven, practical, and ready to personalize. Brackets [] are variables — replace them with your specifics. The more personal you make it, the better it performs. These are starting points, not finished products.

Customize every: [NAME], [PRODUCT], [RESULT], [YOUR NAME], [COMPANY] before sending.

SECTION 1 — Welcome Sequences

Template #1: The Warm Welcome (Day 1)

SUBJECT LINE: Your [PRODUCT NAME] is here ■

PREVIEW TEXT: Plus, one thing most people miss on day one...

EMAIL BODY:

Hi [FIRST NAME],

Welcome to [COMMUNITY/PRODUCT NAME]. You made a great call.

Your [PRODUCT] is attached / linked below:

→ [DOWNLOAD LINK or RESOURCE LINK]

Before you dive in, one thing I want you to know:

Most people who buy [PRODUCT] get value from it on day one.
The ones who get the MOST value do one thing differently:

They start immediately. Not tomorrow. Not this weekend. Today.

Pick ONE thing from [PRODUCT] and use it in the next 2 hours.

Reply and tell me what you chose. I read every reply.

[YOUR NAME]

P.S. — If you have any issues accessing anything, reply to this email and I'll fix it within 24 hours.

◆ Pro tip: Send within 5 minutes of purchase. Subject line curiosity drives opens.

Template #2: The Value Drop (Day 3)

SUBJECT LINE: The one thing most [AUDIENCE] skip (big mistake)

PREVIEW TEXT: This took me 2 years to figure out...

EMAIL BODY:

Hi [FIRST NAME],

Three days in. How's it going?

Today I want to give you something extra – the one thing I wish someone had told me when I started [TOPIC]:

[SPECIFIC INSIGHT OR TIP – make it genuinely useful, not promotional]

Example: "Instead of trying to write the perfect prompt, write a bad one first. Then ask the AI to improve it. Cuts your time in half."

That's it. One thing. Try it today.

More coming on [DAY OF WEEK],

[YOUR NAME]

◆ Pro tip: Day 3 has the highest unsubscribe risk. Lead with pure value, no selling.

Template #3: The Story Email (Day 5)

SUBJECT LINE: How I went from [BEFORE] to [AFTER] (real story)

PREVIEW TEXT: This is the part I don't usually share...

EMAIL BODY:

Hi [FIRST NAME],

Quick story.

[BRIEF PERSONAL STORY – 3-5 sentences. Be honest, specific, and a little vulnerable.]

Example: "I started PromptEmpire because I spent \$4,000 on a copywriter and got back emails I could've written myself. I thought – there has to be a better way. Turns out, the AI was capable. I just didn't know how to talk to it."

That experience is why I built [PRODUCT/COMMUNITY].

So whenever you're using it, know it came from a real frustration – not a whiteboard session.

Any questions? I'm one reply away.

[YOUR NAME]

◆ Pro tip: Stories build emotional connection. Keep it under 150 words.

Template #4: The Soft Offer (Day 7)

SUBJECT LINE: In case you haven't tried this yet...

PREVIEW TEXT: One more thing before the week ends

EMAIL BODY:

Hi [FIRST NAME],

One week in. I hope [PRODUCT] has already saved you some time.

Quick heads up – a few people have asked about [UPGRADE / RELATED PRODUCT].

If you're getting value from [PRODUCT], [UPGRADE] takes it further by:

→ [BENEFIT 1]

→ [BENEFIT 2]

→ [BENEFIT 3]

[UPGRADE LINK] – [PRICE]. No pressure, just wanted to make sure you knew it existed.

Back to your regularly scheduled value next week ■

[YOUR NAME]

◆ Pro tip: This is a soft upsell, not a hard sell. Treat it like a recommendation from a friend.

SECTION 2 — Sales & Launch Emails

Template #5: The Problem-Agitate-Solve Launch

SUBJECT LINE: If [PROBLEM] is costing you [TIME/MONEY], read this

PREVIEW TEXT: You don't have to keep doing it the hard way

EMAIL BODY:

Hi [FIRST NAME],

How much time did you spend on [PAINFUL TASK] this week?

If you're like most [AUDIENCE], it's probably more than you'd like to admit.

The problem isn't effort. The problem is doing it manually when there's a better way.

[PRODUCT NAME] gives you [SPECIFIC SHORTCUT]. Specifically:

→ [FEATURE/BENEFIT 1]

→ [FEATURE/BENEFIT 2]

→ [FEATURE/BENEFIT 3]

[AUDIENCE] who use it report saving [TIME/MONEY] every week.

If that sounds useful, here's where to get it:

[PRODUCT LINK] – [PRICE]

[GUARANTEE STATEMENT]

[YOUR NAME]

♦ Pro tip: This is your bread-and-butter sales email. Works for any product.

Template #6: The Deadline Email

SUBJECT LINE: Last chance — [OFFER] ends at midnight

PREVIEW TEXT: After tonight, this price goes away

EMAIL BODY:

Hi [FIRST NAME],

Quick note — [OFFER/DISCOUNT] expires tonight at midnight [TIMEZONE].

After that, [PRODUCT] goes back to [REGULAR PRICE].

If you've been on the fence, here's the honest breakdown:

[PRODUCT] is right for you if:

→ [USE CASE 1]

→ [USE CASE 2]

It's probably NOT right for you if:

→ [NOT FOR THEM 1]

Still in? Here's your link:

[PRODUCT LINK]

Whatever you decide — thanks for being here.

[YOUR NAME]

◆ Pro tip: Honest "not for everyone" framing actually *INCREASES* conversions. It builds trust.

Template #7: The ROI Calculator Email

SUBJECT LINE: What's [PROBLEM] actually costing you?

PREVIEW TEXT: The math will surprise you

EMAIL BODY:

Hi [FIRST NAME],

Let's do some quick math.

If [PROBLEM] costs you [X HOURS] per week:

→ That's [X HOURS × 52] hours per year

→ At [YOUR HOURLY RATE], that's \$[ANNUAL COST] of your time

[PRODUCT NAME] costs \$[PRICE].

If it saves you just [MINIMUM HOURS] per week, it pays for itself in [TIMEFRAME].

That's not a pitch. That's arithmetic.

[PRODUCT LINK]

[YOUR NAME]

◆ Pro tip: Numbers are the most persuasive thing in email. Show the math explicitly.

Template #8: The Social Proof Blast

SUBJECT LINE: "I made back the cost in 2 days" — [CUSTOMER NAME]

PREVIEW TEXT: What others are saying this week...

EMAIL BODY:

Hi [FIRST NAME],

I want to share a few things people have said about [PRODUCT] recently:

"[TESTIMONIAL 1 – make it specific with a result]" – [NAME], [TITLE]

"[TESTIMONIAL 2 – different angle]" – [NAME], [TITLE]

"[TESTIMONIAL 3 – overcome an objection]" – [NAME], [TITLE]

Not everyone gets results this fast. But these are real people with real businesses.

If you want the same thing:

[PRODUCT LINK] – [PRICE]

[YOUR NAME]

◆ Pro tip: Use real testimonials. If you don't have any yet, ask your first 10 customers personally.

SECTION 3 — Re-engagement & Win-Back Emails

Template #9: The "Still Here?" Re-engage

SUBJECT LINE: Are we still good, [FIRST NAME]?

PREVIEW TEXT: Be honest with me

EMAIL BODY:

Hi [FIRST NAME],

I noticed you haven't opened an email in a while.

That's totally fine – inboxes get overwhelming. But I want to check in.

Are you still interested in [TOPIC]? A quick reply helps me know whether to keep sending you [TYPE OF CONTENT] or whether I should remove you from this list.

No judgment either way – I'd rather have a smaller list of engaged people than a big list of people I'm annoying.

Reply "YES" to stay. Or just ignore this and I'll remove you in 7 days.

[YOUR NAME]

◆ Pro tip: This email paradoxically increases list quality AND deliverability. Run it every 90 days.

Template #10: The Last Chance Win-Back

SUBJECT LINE: This is goodbye (unless...)

PREVIEW TEXT: I'm removing you from my list

EMAIL BODY:

Hi [FIRST NAME],

I'm cleaning my list this week, and I'm going to remove you unless you want to stay.

You haven't opened in [TIMEFRAME], which usually means I'm in the wrong inbox at the wrong time – and I don't want to be that.

If you want to stay on the list, click here: [STAY SUBSCRIBED LINK]

If not, no hard feelings. And if you ever want to come back, you know where to find me.

[YOUR NAME]

P.S. – Before you go: [ONE LAST VALUE OFFER OR FREEBIE LINK]

◆ Pro tip: Always end with a P.S. value offer. It re-engages people who were about to leave.

SECTION 4 — Follow-Up & Nurture Emails

Template #11: Post-Purchase Thank You

SUBJECT LINE: Thank you for your order ✓

PREVIEW TEXT: One more thing from me personally

EMAIL BODY:

Hi [FIRST NAME],

Your order just went through. Thank you – genuinely.

Every purchase helps me keep building [BRAND/PRODUCT], and I don't take that lightly.

Your download is here: [LINK]

One personal ask: once you've had a chance to use it, reply and let me know what you think. The good, the bad, and the "I wish it had X." I use every piece of feedback to make the next version better.

And if you ever get stuck, reply here. I actually read these.

[YOUR NAME]

◆ Pro tip: Personal tone here outperforms transactional tone by 3-5x in reply rate.

Template #12: The Check-In (72 Hours Post-Purchase)

SUBJECT LINE: [FIRST NAME] — quick check-in on [PRODUCT]

PREVIEW TEXT: Have you tried it yet?

EMAIL BODY:

Hi [FIRST NAME],

Three days since you grabbed [PRODUCT]. How's it going?

If you've already used it: amazing. Tell me what happened.

If you haven't started yet: totally normal. Here's my advice –

Don't try to use everything at once. Pick the ONE section most relevant to where your business is right now and start there.

For most people that's: [RECOMMENDED STARTING POINT]

Ten minutes. That's all it takes to get your first result.

Let me know how it goes.

[YOUR NAME]

◆ Pro tip: The 72-hour check-in dramatically reduces refund requests. Send it.

Template #13: The Upsell Follow-Up

SUBJECT LINE: One more thing that goes with
[PRODUCT]...

PREVIEW TEXT: You already have the foundation. Here's
the next layer.

EMAIL BODY:

Hi [FIRST NAME],

Now that you have [PRODUCT], I want to mention something that pairs really well with it.

[RELATED PRODUCT] is what [TYPE OF PERSON] uses when they want to go deeper on [TOPIC].

Together, [PRODUCT] + [RELATED PRODUCT] give you:

→ [COMBINED BENEFIT 1]

→ [COMBINED BENEFIT 2]

→ [COMBINED BENEFIT 3]

[RELATED PRODUCT LINK] – [PRICE] (or [BUNDLE DISCOUNT] when you grab both)

No pressure – but if you were already thinking about it, this is a good time.

[YOUR NAME]

◆ Pro tip: Upsell follow-ups sent 5-7 days post-purchase convert at 15-25% for warm buyers.

SECTION 5 — Subject Line Vault — 25 Proven Openers

Use these subject lines across any of the templates above. Mix and match. A/B test.

Curiosity

- "The thing nobody tells you about [TOPIC]"
- "Why [COMMON BELIEF] is actually backwards"
- "What I found when I [DID THING]..."
- "I was wrong about [TOPIC]. Here's why."
